

## COMMUNITY MEAL

At the August Community Meal we served 276 chili mac meals with help from 27 of our awesome volunteers. I think they would all agree that this serving from 5 - 6pm is the fastest hour of the month - we are hustling the entire time. Rev. Soule offers a warm welcome and prayer - and then the line surges forward. It's so satisfying to feed our hungry neighbors. Our congregation has supported this mission for 3 years and 5 months. Thanks for all the fresh fruit, desserts, time and prayers!

For over 2 years we have participated in the Dillons Community Rewards program – at least 18 church families are active members. If not a member and you have a Dillons loyalty card you simply sign up online to link your card to First Presbyterian Church – we have received hundreds of dollars from the program which is applied to our Free Community Meal program. The bad news is that our contribution from Dillons is steadily going down.

Joining the program does not reduce your Dillons benefit at all!

We received a letter from Dillons this week that our non-profit account number has been changed to **XF494**. When I checked my account the new number was there.

If you are in the program, please check your account to see if you are still active.

If you are not in the program and use Dillons please sign up!!!! Go to [Dillons.com](https://www.dillons.com) and scroll to the bottom and click on Dillons Community Rewards. It is easy from there – even Claude did it!

The Mission and Social Justice Division of Heartland Presbytery, partnering with the Mainstream Coalition of Kansas, cordially invite you to these four events designed to train Voter2Voter Ambassadors. As an Ambassador, you will find ten people who are less likely to make it to the polls in November. You'll then be equipped to equip them with the information and support they need to register, find their polling place, get informed, and cast a ballot. Whether you are left, right, or somewhere in between, we can all agree that we need more civic participation in our society. Let's join together to make it happen through Voter2Voter!
